### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Michael Taken on September 29, 2003.

The application has been amended as follows:

In the Claims:

Claim 36 has been canceled.

2. The following is an examiner's statement of reasons for allowance: Reasons for allowance of claim 14 are given in the prior office action. With respect to claim 35, the feature of a diffuser comprising a perforated plate extending laterally across the chamber and having a first central area and a second surrounding area, wherein the plate is perforated at both of the areas and the second area has larger perforated holes than the first area, is not taught or suggested in a single reference or a combination of references in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
